Morning Bryce

Our company is a primary supplier to Heinz foods. They audit us once a year. They base there audit on BRC. We have all the Quality systems in place to insure accreditation from the Heinz group.

Kind regards

Greg Glasby

Hi All,

It is that time of year again when all your BRC, Hassap, Food Safety &, Quality systems certificates are required. Please would you scan in the desired documents and send them to me ASAP. Note failure to do this could result in the company not being listed for packaging that comes into contact with food.

Regards
