CERTIFICATE OF COMPLIANCE : FOOD CONTACT

CORRUGATED SHEETS

The corrugated sheets manufactured by Rifcor Enterprises (Pty) Ltd are safe for contact with foodstuffs and comply with the below legislation.

- USA FDA Code of Federal Regulations CFR21 §176.170 (components of paper and paperboard in contact with aqueous and fatty foods)
- The limits specified in Directive 94/62/EC on packaging and packaging wastes for the presence of heavy metals (lead, cadmium, mercury and hexavalent chromium) in packaging materials.
