**Subject:** Re: Perfect Plastics BRC etc standards

Hi Bryce  
Unfortunately we do not have "stand alone" certification for Perfect Plastics but all of Polypak standards of good manufacturing practices apply with regard to food safety, product integrity and traceability.  
Perfect Plastics is wholly managed by Polypak at present and independent standards do not apply.  
I trust this complies for the present and look forward to doing business with Kaap-Agri.  
Kind regards  
Keith Dickson.
