## CONFIRMATION

The plastic bags we manufactured can be used for food packaging.

### DECLARATION OF CONFORMITY

We hereby declare that the raw material used for our plastic bags, complies with the requirements of the EU plastic directive 2002/72/EG in its current form. Our products also complies with the general requirements of Article 3 of Regulation (EG) Nr.1935/2004 of the European Parliament and the Council of 27 October 2004 on materials and articles intended to be in contact with food.

### STORAGE

All products should be stored at moderated temperature and out of direct sunlight. As ultraviolet light may cause a change in the material properties.
