technical specs

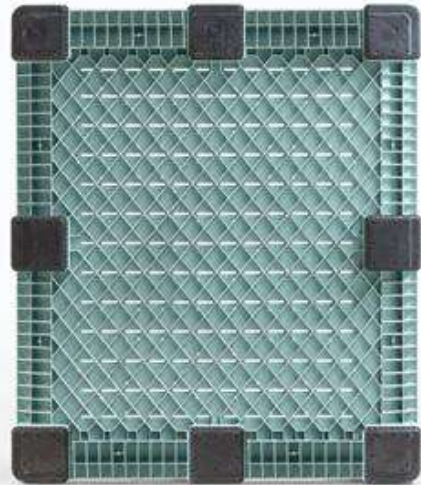

TEGO BULK BIN

TEGO Premium 2-Skid Bin

Accessible from all 4 sides with a forklift and from 2 sides with a standard pallet jack.

TEGO BULK BIN

TEGO General Purpose 8-Foot Bin

Accessible from all 4 sides with both a forklift and standard pallet jack.

BENEFITS OF THE TEGO BULK BIN

Smooth inside design minimises bruising of fruit.

Higher base for easy use of a pallet jack.

Unique drenching slots helps with better drainage and improved airflow.

Food grade HDPE plastic is UV resistant, infrared resistant and more robust in cooler conditions.

Made to accommodate specially designed support strap, minimising damage to the fruit and the bin in transport.

TEGO BULK BIN: CUSTOMISATION

- Horizontal and vertical branding options
- Custom colours

BIN REPLACEMENT PROGRAMME

1 new bin for every
5 returned

HOW TO ORDER

Exclusively distributed by Pakmark & Agrimark stores.

FINANCING

- Instalment sale
