

Vanrhynsdorp conducts a clean-up operation for Mandela Day

Lynville Isaacs, Junior Manager, Vanrhynsdorp Agrimark, reported that the local police and the community policing forum, in conjunction with several other role players, decided to spend 67 minutes on Mandela Day to clean up and refurbish the town.

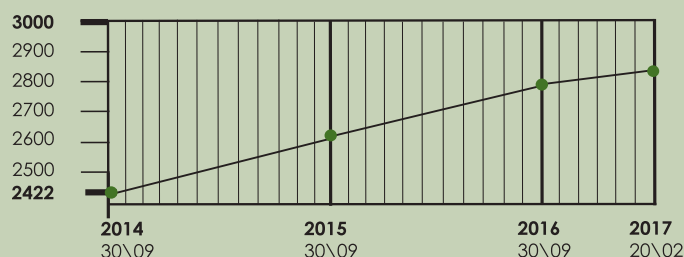

Johan du Toit and Lynville Isaacs with all the participants

The municipality donated black bags and gloves and the Agrimark, represented by Lynville and Johan du Toit, Manager of the Klaver Agrimark, made ingredients available for the preparation of soup for 200 people. After the work was completed, the municipality transported the filled black bags to the local dumping ground. Thereafter all the participants enjoyed a cup of warm soup and bread.

Growing our family; contributing to the community.

Mandela Day Celebrations Porterville Mechanisation

As part of their Mandela Day celebrations, the Porterville Mechanisation, in conjunction with the local library, made up gift packs which they handed out to the residents of the local old age home.

Franschhoek Agrimark makes a difference

Steven Cronje reported that the Franschhoek Agrimark was approached by Suzan Warries from the local Sunbeam Pre-Primary school to assist them with the renovation of their classrooms.

The roof was leaking and the walls were in a very poor condition.

The Agrimark donated cement and other building material to renovate the classrooms before the cold winter months.

On the photograph, Terence Marais, Trading Clerk for building material, sits among the four and five year olds inside the beautifully renovated classroom, and the smiles on the children's faces says everything.

Ruststasie supports One Heart Christian Foundation

A few months ago, Swartland farmers made their meeting facility available to the One Heart Christian Foundation NPC. This building is situated on the premises of Kaap Agri's Ruststasie silo near Moorreesburg.

The One Heart Christian Foundation is a non-profit organisation which provides aid to families in rural areas.

This building has now been transformed into a centre which provides social services like counselling, life skills, information sessions on drug and alcohol abuse, com-

The entrance

munity projects, etc.

The foundation is currently busy with renovation work on the building and Wesgraan's Kobus Duminy and his team from the Ruststasie silo supported this initiative by donating paint to help create a warm and cosy atmosphere for the visitors.

Selene Basson, Manager of the foundation, has expressed her sincere appreciation towards this kind gesture. 🌱
