**Declaration of Compliance**

**Manufacturer**

Mpact Operations Western Cape

**Product(s) description**

All corrugated board grades intended for food packaging.

**Confirmation of Compliance: Paper packaging for food contact**

This declaration is based on an assessment of information from our suppliers of corrugated paper grades, as well as supplementary materials such as inks and adhesives.

Mpact Operations cartons are manufactured from preselected raw materials, all comprising of the appropriate certification for food contact.

- The paper grades used fulfil the requirements of the *BfR Recommendation XXXVI – Paper and board for food contact*.
- The adhesives used fulfil the requirements of the *FDA Code of Federal Regulations Title 21, Section 175.105 – Adhesives*.
- The printing inks are manufactured according to the *European Council of Paints, Printing Inks and Artists' Colours – CEPE guidelines*.

The supplied products are in compliance with Regulation (EC) 1935/2004, and are suitable for direct contact with dry, non-fatty foodstuffs; frozen foodstuff that is not defrosted in the packaging; foodstuffs that are peeled, washed or shelled before consumption; as well as secondary packaging.
